The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
H-307, The Capitol
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Rhode Island College's Professional Development and Continuing Education (PSCE) Leadership Development and Innovation project in fiscal year 2022.

The entity to receive funding for this project is Rhode Island College, located at 600 Mount Pleasant Avenue, Providence, RI 02908.

The funding would be used to develop certificate programs that enable Rhode Islanders to earn discernable skills in which translate into a career in Data Science, Cyber Security or Computer Science. All three certificate programs can include a stackable credential in Leadership Development. Rhode Island College plans to market programming to the underserved populations throughout Rhode Island and specifically women.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

James R. Langevin
Member of Congress
